Welcome to the Johannesburg City Park’s Walking Trail Guide, the first since 1982, Johannesburg is a city that is said to have more trees than any other city in the world, and has made the most of its natural resources. There are over 2,300 parks and over 10,000 hectares of green, nature experiences to comfort and inspire. The guide introduces some of the trails and walks in and around the city, with handy maps and useful bits of information to help you enjoy the natural beauty and history of Johannesburg.

The locations listed on this Trails Guide fall under the responsibility and management of Johannesburg City Parks. For group or event bookings, tours or other information please contact the Events Department at Johannesburg City Parks 011-712-6400.

The City of Johannesburg and Johannesburg City Parks accept no responsibility for loss or damage to any property or any form of physical injury occurred by users of the site. Visitors use these facilities entirely at their own risk.
